

I. Communication : How people communicate

1. What is communication? Build up the idea that communication is the passing on or sharing of news, ideas and feelings with another person.

2. Discuss different ways in which people communicate.

eg. speaking, drums
writing, smoke signals
telephone, smiles
radio, gestures.

etc

3. If possible show the soundstrip "Getting the Message".

Students list all the ways of communication shown in the filmstrip.

4. How does God communicate with us ?

- not by direct speaking, telephone etc.

but still his thoughts \longrightarrow our thoughts.

Some people have visions and dreams, but most people have to work out what God is saying to them by
